

Dr. T. Thimmaiah Institute of Technology, Oorgaum, KGF - 563120
(Affiliated to VTU - Belagavi, Approved by AICTE - New Delhi, Approved by Government of Karnataka)

1.1.1 The Institution ensures effective curriculum delivery through a well-planned and documented process:

IQAC:

An Internal Quality Assurance Cell (IQAC) of Dr T Thimmaiah Institute of Technology (Dr TTIT) was introduced from the year 2018-2019. The IQAC of Dr TTIT initiates the process of curriculum planning.

Curriculum Implementation:

Course Allotment:

Every faculty in their respective departments shall be submitting their choice of course choosing a minimum of three subjects to the Head of the department and the Head of the department will allot the course to the individual faculty based on the result analysis, students' feedback and subject preference of the faculty.

Timetable:

The VTU provide the academic calendar and based on the VTU's academic calendar, Institute prepares the academic calendar and the same is reflected in the time table. The Timetable committee headed by the Dean Academics and department timetable Coordinators frame the academic timetable for the semester.

Course File:

Each faculty member prepares course file for the allotted subjects of every semester.

Curriculum Planning and Execution:

The Institution also maintains a well-planned and well documented process of curriculum planning and timely execution through ERP software, through which the class timetables are uploaded along with the lesson plan. Faculty members will create the lesson plan in the very beginning of the semester.
