## CIRCULAR

**Sub: Standard Operating Procedures for Packing and Dispatch of Answer Scripts.**

### References

Standard operating procedures for Packing and Dispatch of Answer Scripts, VTU circular No. VTU/BGM/Reg(E)/PS/2020-2021/56B dated 16.04.2021.

### General Instructions

1. The SOPs are in addition to the SOPs published by Central and State Governments and appropriate authorities such as UGC, AICTE and SOPs published by VTU previously.
2. These SOPs do not override any previous SOPs.

### Guidelines for Principals of Colleges

1. Principal of the college shall bear the overall responsibility for organising and implementing these SOPs during the examination. For this purpose, Principals are instructed to take steps to identify, instruct and assign appropriate responsibilities to persons incharge of the task of packing and dispatching answer scripts.

### General Procedures for Staff Engaged in Handling of Answer Scripts

1. All staff involved in the task of packing and dispatching answer scripts and receiving answer script bundles at collection centres, must be checked with a thermal scanner and anyone found with symptoms of fever, cough or cold must not be assigned this task.
2. Standard protection equipment for all staff engaged in the task of packing, dispatching, transporting and receiving answer scripts and bundles must be provided with hand gloves, face mask and face shield. All staff must sanitize their hands before wearing the protective equipment and continue to wear them until the end of the task.
3. Staff handling answer scripts of COVID-19 positive students within 24 hours must be provided with Personal Protective Equipment (PPE).

13/11/21  
PRINCIPAL

Dr. T. Thirumalaiah Institute of Technology  
Oorgaum, K. G. F-563120

4. A written record, including contact information must be maintained of all staff engaged in packing, dispatch, transport and receiving answer scripts and bundles for each session and day.
5. Premises where answer scripts are collected, organized and packed must be sanitized at the end of each day.
6. All surfaces of tables, chairs in the control room must be sanitized at the end of each day.
7. Proper procedure for disposing hand gloves, face masks and face shields must be followed.

### ***Procedure for Packing Answer Books***

1. All staff engaged in packing and dispatch of answer scripts must first sanitize their hands thoroughly and put on hand gloves, face mask and face shield before commencing with the work. They must not be removed until the work is completed. If removed, the procedure of hand sanitization etc. must be repeated. Any additional staff required to shift and transport the sealed bags must wear the same protective equipments.
2. Answer scripts must not be sprayed with sanitizer. This may disfigure the written matter in the answer scripts.
3. Answer scripts must be properly compiled and packed in plastic bags and sealed securely.
4. Sealed plastic bags must be sprayed with sanitizer and allowed to stay for 5 minutes before packing into cloth bags and affixing appropriate labels on the cloth bag.

### ***Additional Procedures for Packing of Answer Scripts of COVID-19 Positive Students***

1. A separate room, close to the control room, must be identified to store the answer scripts of COVID-19 positive students for a period of 24 hours after completion of session. The room must have adequate light and ventilation, tables and CCTV surveillance.
2. The entry to the identified room must be clearly labelled for restricted entry and must be accessible only under the supervision of Chief Superintendent. It must remain locked at all times except when placing and retrieving the answer books.
3. The Room Supervisor handling answer scripts of COVID-19 students must be provided with Personal Protective Equipment. At the end of the session, the Room Supervisor must place the answer book along with Form-B in the identified room, with clear labelling of date and session.
4. Answer scripts must be kept untouched for at-least 24 hours before the packing instructions given above are followed.

## **Sanitisation of Vehicles**

1. Vehicles used to transport the sealed cloth bags containing the answer scripts must be sanitized well in time before loading answer book bundles into the vehicle. Special care must be taken to sanitize door handles, seats, steering and points used by people to support themselves.
2. All staff accompanying the answer book bundles must wear hand gloves and face mask.
3. Vehicles must reach the collection centre without any intermediate stops or halts that are not warranted.

## **Guidelines for Collection Centres**

1. Collection centres must provide all staff engaged in handling of answer scripts with hand gloves, face mask and face shield.
  2. A written record, including contact information must be maintained of all staff engaged in collection of answer scripts and all visitors to the collection centre.
  3. Answer book bundles received at the collection centres must be sprayed with sanitizer and kept untouched for at least 24 hours before opening the bundles.
- The Principals of constituent, affiliated and autonomous engineering colleges are requested to bring the contents of this circular to the notice of all the concerned.
